Introduction

CMA (Certified Management Accountant), is a designation provided by IMA (Institute of Management Accountant). It is a US based course existing since 45 Years. CMA certification has been the global benchmark for Management Accountant and Financial Professionals. In all, there are 1,00,000 members around the world and approx 20,000 students appear for the exam every year.

Navkar CMA review is pioneer in US CMA as far as training is concern. We trained students via our classroom as well as online training portal from around the world. Our pedagogy and examination system along with detailed material is the key for our tremendous success. Attitude of developing everyday keeps us being better and better in serving our students with all knowledge to make successful career. **Navkar CMA review** is the only training provider which also ensures employ ability to its students after clearing CMA and have a track record of 100% placement.

Here is a brief introductory video from our **Director, Dr. CA Urvish Shah**, explaining complete scope of US CMA and how we at Navkar CMA review can help you realise your dream to achieve this coveted qualification.

WHY US CMA

A comprehensive
qualification

Work anywhere
in the world

Learn international
standards

Huge demand for
CMA professionals

Enjoy high
professional status

Better career
prospects

“

**Choose a career
option with Limitless
opportunity - Get the
business qualification
for a rapidly changing
economy”**

CMA - The career that will make you fly high

Go anywhere, do anything

Choosing to study the CMA Qualification gives you the flexibility to work in any sector, and in any industry - because it's recognised and respected all over the world.

Stand out to top employers

Employers actively seek out professionals with an CMA qualification. It's because they know you'll be trained to the highest professional and ethical standards - and have skills that add immediate value to their organisations.

Make a strong impact in the workplace - The CMA Qualification gives you the skills to make an impact in any workplace. This qualification would require 3 years of practical training experience.

Scope for US CMA

In all, there are 70,000 members around the world and approximately 8,000 students appear for the exam every year. According to various surveys, the median total compensation of CMAs is 67% higher than that of Non-CMAs. Average salary for CMA fresher would be approximately 4-5 Lakhs INR, after two years it can reach upto 6-8 Lakhs INR depending upon the corporate and academic skills of the candidate

Major Industries where the employability of CMAs are: MNCs, Consulting firms, Financial services, Investment Banking, etc.

Designation that will be offered to candidate after becoming CMA are: Cost Accountant, Internal Auditor, Budget Analyst, Financial Analyst, CFO, Controller, etc.
